Academic Standing: Second Upper

Relevant Courses: Python, Analytic Geometry and Calculus, C, Data Structures and Algorithms, Object Oriented Programming with C++, Java

PROJECTS

Landing Page   Nov 2023

- I designed a comprehensive event information page using HTML, CSS (including responsive design principles), and Bootstrap, contributing to a 30% increase in event registration

Portfolio Website   Oct 2023

- I designed and developed an appealing portfolio website showcasing my projects and skills, including a user-friendly contact form integrated with my email

AWARD

- Awarded Best Foreign Student of the Year, Ghana Student Excellence Award   July 2024

WORK EXPERIENCE

Information Technology Advisory Intern, KPMG   Jun 2024 – Aug 2024

- Drafted and tailored proposals for various clients, led client meetings, and documented project progress to ensure effective communication and project outcomes
- Developed an understanding of BCMS principles and their importance in mitigating risks and ensuring organizational resilience

Software Developer, Digiits Agency (Hybrid)   Dec 2023 – Jan 2024

- Developed features for various projects, utilizing Git commands to streamline version control and contribute to efficient team collaboration
- Acquired knowledge and practical experience in design concepts such as Tailwind CSS and Bootstrap during project Development resulting in a 20% reduction in development time

IT Assistant, Access Bank (Ghana) Plc   Jun 2023 – Jul 2023

- Acquired corporate experience and work ethic through engagement with the bank's IT department
- Developed a comprehensive understanding of the MEAN and MERN stacks, necessary for mobile app development, particularly within a banking institution

LEADERSHIP EXPERIENCE

International Students Representative, Academic City Student Council   Mar 2024 – Present

- Spearheaded an initiative to recognize the independence days of various nationalities represented at Academic City, fostering a more inclusive campus environment
- Provided detailed guidance and resources to colleagues on resident permit renewals, streamlining the process for a smoother experience

VOLUNTEER ACTIVITIES

Peer Career Advisor, Academic City University College   Nov 2023 - Present

- Mentored colleagues in crafting impactful CVs and cover letters, contributing to their career success
- Offered tips on answering common interview questions and presenting themselves professionally

Front Desk Staff, Devfest, Google Developer Group Accra   Nov 2023

- Welcomed attendees and guided them to where the event was taking place
- Assisted guests with the registration process

Web Lead, Google Developer Student Club, Academic City University College   Sep 2023 – July 2024

- Planned and organized our group's inaugural workshop, providing valuable assistance to 25 attendees on software installation and function
- Hosted a web study jam workshop for 15 attendees, leveraging my strong communication skills and empowering them to grasp web development fundamentals to build a simple welcome page using HTML and CSS
